
AD 1.4 GROUPING OF AERODROMES

1. The criteria applied by Malaysia in grouping aerodromes/heliports for the provision of information in this AIP are as follows :
 - 1.1 **International Airport**
 - 1.1.1 The aerodrome/heliport of entry and departure for international air traffic, where such formalities as customs, immigration, public health, and animal and plant quarantine are carried out and where air traffic services (ATC and ATIS) are available on a regular basis.
 - 1.2 **Domestic Airport**
 - 1.2.1 An aerodrome used for domestic air traffic only and where air traffic services are available on a regular basis.
 - 1.3 **Stolport**
 - 1.3.1 A stolport is an aerodrome available for the use of STOL aircraft.
 - 1.4 **Military Airport**
 - 1.4.1 An aerodrome for military air traffic only.
