MICROLIGHT OPERATIONS ULTRALIGHT FLIGHT PARK AREAS (UFPA)			
A'FAMOSA RESORT ALOR GAJAH (WMAF) Circle with radius of 5 KM centred on 022624 N 1021265 E.	<u>500 FT ALT</u> GND		<p>1. Ultralight operators are to ensure that they confine their operations within the lateral and vertical limits specified and that all flights are conducted in Visual Meteorological Condition by reference to the surface and during daylight hours only. Ultralight operators are also to inform the nearest ATC Unit prior to commencement of their operations and immediately after completion of such operations. Crowd control and provision of emergency services shall also be the responsibility of such operators.</p> <p>2. Ultralight aircraft are non-radio equipped and as such are not aware of the position or intention of other aircraft except through visual sighting. Pilots of other aircraft operating into and out of or transiting such areas are to exercise caution.</p> <p>3. Ultralight aircraft operating from the UFPA to ATC manned aerodromes and vice versa are required to be fitted with VHF radio equipment and the pilots are required to be in possession of a Radio Telephony Licence. Aircraft operations from such aerodromes shall conform to local ATC procedures for ultralight operations.</p>
